ST COLUMBA'S FAMILIES NEWSLETTER

HI FAMILIES OF ST COLUMBA'S,

On Sunday we will read the story of the man who came to see Jesus by night – because he didn't want to be seen by others. Nicodemus was a Pharisee and had been impressed by what he saw in, and heard from, Jesus. He wanted to find out more. When they talked about how God might work in people's lives, Jesus told Nicodemus: "The wind blows wherever it pleases. You hear its sound, but you cannot tell where it comes from or where it is going. So it is with everyone born of the Spirit." We hope you can join us this Sunday, to enjoy being together and to find out more.

Dates for Family diaries: Sunday School activities

We are continuing to offer Sunday School on the first and third Sundays of the month. We are incredibly grateful to our volunteer leaders who run the Sunday morning activities. It is not always easy to "staff" those gatherings, so we are always looking for additional adults to get involved....
